

Curriculum Vitae

PERSONAL AND CONTACT INFORMATION

First and last name **Davor Alagić**

Academic title Full professor

Scientific and professional titles Doctor of Veterinary Sciences, Master of Preventive Veterinary Medicine (MPVM), Doctor of Veterinary Medicine

Address Ul. Žrtava fašizma 2/9; 71 000 Sarajevo, Bosnia and Herzegovina

Phone +387 61 899 914 (mobile); +387 33 729 110 (work)

Fax +387 33 643 684

Email address davor.alagic@vfs.unsa.ba

Citizenship Bosnia and Herzegovina

Date and place of birth July 1, 1969, Bihać, Bosnia and Herzegovina

Marital status Married, father of son Mirza (20 years old) and daughter Lamia (14 years old)

EDUCATION

Year 2011.

Place Sarajevo

Institution Veterinary Faculty, University of Sarajevo

Title Doctor of Veterinary Sciences

Year 2002.

Place Davis, California, USA

Institution School of Veterinary Medicine, University of California Davis, USA

Title Master of Preventive Veterinary Medicine (MPVM)

Year 1998.

Place Sarajevo

Institution Veterinary Faculty, University of Sarajevo

Title Doctor of Veterinary Medicine

WORK EXPERIENCE

Dates (from – to) 1999 – present

Employment institution University of Sarajevo-Veterinary Faculty;

Job title Assistant, senior assistant, assistant professor, associate and full professor in the field of "Veterinary and hygienic supervision of food production, processing and trade"

Work area Theoretical and practical teaching in the field of hygiene and food technology for undergraduate and postgraduate students of veterinary medicine; research work in the field of food safety and veterinary public health.

Dates (from – to) 2016 – present

Employment institution Center for Interdisciplinary Studies of the University of Sarajevo - Prof. Dr. Zdravko Grebo (CIS)

Job title Responsible teacher of the courses "Food safety" and "Quality assurance and biosafety in laboratories" within the international interdisciplinary master's program "One Health"

Work area Organization and implementation of English language classes for students

Dates (from – to) 2020 – present

Employment institution University of Sarajevo-Veterinary Faculty;

Job title Vice Dean for Quality Assurance

Work area	Establishment, management and improvement of the quality assurance system for study programs
Dates (from – to)	2013 – present
Employment institution	University of Sarajevo-Veterinary Faculty;
Job title	President (until 2020) and member of the Quality Assurance Committee
Work area	Organizing, coordinating and implementing quality assurance and improvement processes
Dates (from – to)	2014 – present
Employment institution	Agency for the Development of Higher Education and Quality Assurance of BiH (HEA)
Job title	External expert, occasional engagement
Work area	Assessing the institutional quality of higher education institutions and the quality of university study programs according to ESG standards
Dates (from – to)	2010 – present
Employment institution	Various public and private institutions/examination laboratories
Job title	External expert/consultant, occasional engagement
Work area	Internal audits and consultations in the field of accreditation of testing laboratories according to the requirements of the ISO/IEC 17025 standard
Dates (from – to)	2013 – 2020
Employment institution	University of Sarajevo-Veterinary Faculty;
Job title	Head of the Department of Food Hygiene and Technology
Work area	Planning, implementation, coordination and supervision of the teaching and scientific work of the Department
Dates (from – to)	2011 – 2020
Employment institution	Veterinary Faculty Sarajevo; Veterinary Institute,
Job title	Head of the Laboratory for Microbiological Testing of Foodstuffs, Animal Feed and Items of General Use (until January 2013) and Deputy Head of the Center for Control of Foodstuffs, Animal Feed and Environmental Protection
Work area	Management and accreditation of the Laboratory according to the requirements of the EN ISO/IEC 17025 standard, coordination of the work of the Center.
Dates (from – to)	1999-2011.
Employment institution	Veterinary Faculty Sarajevo; Veterinary Institute, Center for Control of Foodstuffs, Fodder and Environmental Protection
Job title	Examiner (until 2010) and deputy head of the Laboratory for Microbiological Testing of Foodstuffs, Fodder and Items of General Use.
Work area	Microbiological analyzes of foodstuffs, animal feed and items of general use
Dates (from – to)	2010 – 2018
Employment institution	BiH Accreditation Institute (BATA)
Job title	Technical evaluator of test laboratories according to the requirements of the ISO/IEC 17025 standard; casual engagement
Work area	Microbiological testing of food and water
Dates (from – to)	2016
Employment institution	Cardno Emerging Markets USA, Ltd.
Job title	Local consultant, USAID/Sweden FARMA II project, temporary engagement
Work area	Education in the area of accreditation of microbiological laboratories in accordance with the requirements of the ISO/IEC 17025 standard
Dates (from – to)	March-Dec. 2010.
Employment institution	"BH Quality" doo, Sarajevo,
Job title	Professional consultant, occasional engagement
Work area	Training in the field of design, implementation and audit of HACCP systems

Dates (from – to)	2008 – 2009
Employment institution	BiH Food Safety Agency;
Job title	Professional consultant; casual engagement
Work area	Harmonization of BiH and EU legislation in the field of food safety and quality
Dates (from – to)	2006-2008.
Employment institution	The World Health Organization (WHO), Food and Agriculture Organization (FAO)
Job title	National consultant for epidemiology, temporary appointment
Work area	Expertise in epidemiological surveillance systems, health management, and the legal and organizational framework of aquaculture in BiH.
Dates (from – to)	2006/07.
Employment institution	The World Bank Group, International Finance Corporation (IFC);
Job title	Local consultant for the HACCP system, temporary engagement
Work area	Education in the field of design, implementation and audit of HACCP control systems
Dates (from – to)	2004.
Employment institution	The World Bank Group, International Finance Corporation (IFC);
Job title	Local consultant for the HACCP system, temporary engagement
Work area	Education in the field of design, implementation and audit of HACCP control systems
Dates (from – to)	2001. -2002.
Employment institution	University of California Davis, School of Veterinary Medicine, Davis, California, USA
Job title	Postgraduate Student Employee (PG4 Level)
Work area	Updating and analyzing databases for various scientific research projects in the field of epidemiology during postgraduate studies at the Master of Preventive Veterinary Medicine (MPVM) program.

PROFESSIONAL TRAINING

Year	2021.
Place	Virtual event via Zoom platform
Institution	National Erasmus+ Office in Bosnia and Herzegovina via Project LaTFURE
Area	Online training "Dual Higher Education implementation".
Year	2020.
Place	Virtual event via Zoom platform
Institution	National Erasmus+ Office in Bosnia and Herzegovina
Area	TAM workshop "Effective, affordable and transparent accreditation of study programs in Bosnia and Herzegovina"
Year	2019.
Place	Mostar, Bosnia and Herzegovina
Institution	USAID/SWEDEN Fostering Agricultural Markets Activity II (FARMA II) Project
Area	Adaptation to requirements of the new ISO 17025:2017 and ISO19011:2018 standards
Year	2018
Place	Sarajevo, Bosnia and Herzegovina
Institution	Food Safety Agency of BiH, German Federal Office of Consumer Protection and Bundestinstitut für Risikobewertung
Area	Training course "Dealing with foodborne disease outbreaks"
Year	2018
Place	Sarajevo, Bosnia and Herzegovina
Institution	Veterinary Faculty of the University of Sarajevo and Natalija Jovičić Zarić, Assistant Director for Development and Quality at Accreditation Body of Serbia and former Chair of the European Accreditation (EA) Laboratory Committee,
Area	ISO/IEC 17025:2017

- Year 2017**
Place Sarajevo, Bosnia and Herzegovina
Institution Food Safety Agency of BiH and European Food Safety Agency (EFSA)
Area Training in evidence base for risk assessment
- Year 2016**
Place Barcelona, Spain
Institution Veterinary Faculty, Autonomous University of Barcelona
Area Quality assurance in higher education and teaching in the field of food safety
- Year 2015**
Place Tallinn, Estonia
Institution European Commission, Consumers, Health and Food Executive Agency, Better Training for Safer Food (BTSF) Programme
Area Food-borne outbreaks investigation
- Year 2015**
Place Podgorica, Montenegro
Institution Istituto Zooprofilattico Sperimentale dell' Abruzzo e del Molise "Giuseppe Caporale", Teramo, Italy and the Veterinary Office of Montenegro
Area Risk analysis approaches in food safety
- Year 2015**
Place Sarajevo, Bosnia and Herzegovina
Institution BiH Accreditation Institute and PTB Project No. 95075
Area Measurement uncertainty in microbiology according to ISO 19036, ISO 29201 and ISO 11352
- Year 2014**
Place Rome, Italy
Institution European Commission, Consumers, Health and Food Executive Agency, Better Training for Safer Food (BTSF) Programme
Area Microbiological criteria for food
- Year 2013**
Place Sarajevo, Bosnia and Herzegovina
Institution Federal Ministry of Agriculture, Water Management and Forestry, BiH
Area Passed the professional examination of the doctor of veterinary medicine
- Year 2011**
Place Belgrade, Serbia
Institution Accreditation Body of Serbia
Area Validation of analytical methods and calculation of measurement uncertainty in microbiological testing
- Year 2011**
Place Banja Luka, Bosnia and Herzegovina
Institution Food Safety Agency of Bosnia and Herzegovina
Area Official controls and microbiological criteria for food
- Year 2009/10**
Place Zagreb, Sarajevo, Dubrovnik, Budva
Institution The Royal Society for the Prevention of Cruelty to Animals (RSPCA)
Area Protection of the welfare of animals for slaughter
- Year 2010**
Place Sarajevo, Bosnia and Herzegovina
Institution BiH Accreditation Institute

Area Preparation, execution and documentation of evaluation and validation of methods
Year 2010
Place Hanover, Germany
Institution Institute for Food Quality and Safety, University of Veterinary Medicine Hannover
Area Molecular and serological typing of enterotoxinogenic potential and antimicrobial resistance of isolates
Year 2009
Place Sarajevo, Bosnia and Herzegovina
Institution Norwegian Accreditation and the Accreditation Institute of BiH
Area Technical assessor - laboratory accreditation according to ISO 17025:2005
Year 2009
Place Sarajevo
Institution SWEDAC, Swedish National Food Administration and SIDA
Area Technical assessor - laboratory accreditation according to ISO 17025:2005
Year 2009
Place Sarajevo
Institution SWEDAC, Swedish National Food Administration and SIDA
Area Laboratory accreditation according to ISO 17025:2005
Year 2009
Place Sarajevo, Bosnia and Herzegovina
Institution Food Safety Agency of Bosnia and Herzegovina
Area Food sampling and testing , the Rapid Alert System for Food and Feed (RASFF)
Year 2008
Place Sarajevo
Institution University of Sarajevo
Area Pedagogical education of teachers
Year 2005
Place Teramo, Italy
Institution Istituto Zooprofilattico Sperimentale dell' Abruzzo and del Molise "Giuseppe Caporale"
Area Quality assurance and laboratory accreditation according to ISO 17025:2005
Year 2001
Place Kobe, Osaka, Tokyo, Hiroshima
Institution Japan International Cooperation Agency (JICA)
Area Six-month specialist training "Food Microbial Control" in laboratory diagnostics of foodborne pathogens
Year 2000
Place Sarajevo
Institution Phare – PRAQ III Programme
Area HACCP and EU legislation in the field of food safety
Year 1999
Place Bournemouth, UK
Institution Duhig Berry Ltd.
Area Information Systems and Project Management

TEACHING AND PEDAGOGICAL ACTIVITY

- More than 27 years of experience in organizing, coordinating and delivering teaching in university study programs :

- **Since 1999, practical and theoretical teaching has been carried out within the framework of undergraduate integrated studies veterinary medicine** at the Faculty of Veterinary Medicine, University of Sarajevo, in the title of assistant, senior assistant, docent, associate and full professor - current responsible teacher for the course "Hygiene and Technology of Milk and Dairy Products", and participant in teaching the courses "Hygiene and Technology of Meat and Meat Products I" and "Hygiene and Technology of Meat and Meat Products II" and "Outpatient Clinic III";
- **Since 2002, practical and theoretical teaching has been carried out within the framework of pre-Bologna master's and specialist studies** of the Veterinary Faculty of the University of Sarajevo in the field of "Veterinary-health supervision and technology of production, processing and trade of foodstuffs", majoring in "Hygiene and technology of foodstuffs of animal origin" from the teaching subjects "Legal regulations, standards and norms in the production and trade of foodstuffs", "Hygiene and technology of modern production, processing and trade of milk and dairy products", "Hygiene and technology of modern production, processing and trade of meat, meat products and by-products products of slaughter (meat of livestock for slaughter, poultry, game, fish, crustaceans, shellfish, snails, eggs and egg products)" and "Microbiology of foodstuffs";
- **Since 2013, participant in teaching** the subjects "Veterinary Public Health", "Modification of the Composition and Quality of Animal Products", "Microbiology of Foods of Animal Origin", "Veterinary-sanitary Supervision and Technology of Production, Processing and Trade of Foods of Animal Origin" and "Unconventional Animal Production" **within the doctoral study program** "Veterinary Medicine and Public Health" at the Faculty of Veterinary Medicine, University of Sarajevo.
- **Since 2016, lecturer of the subjects** "Food safety" and "Quality assurance and biosafety in laboratories" **within the international interdisciplinary master's study program in English** "One Health" of the Center for Interdisciplinary Studies of the University of Sarajevo – Prof. Dr. Zdravko Grebo (CIS) ;
- **Since 2018, head of the "Food Safety" department of the academic specialist study** "Veterinary Medicine and Public Health" at the Faculty of Veterinary Medicine, University of Sarajevo and **responsible teacher for the subjects** "Food Contaminants", "Food Safety Management" and "Accreditation of Testing Laboratories", and participant in teaching the subjects "Regulatory Framework for Food Safety", "Basics of Technology and Sanitation in Food Production", "Current Topics in Food Safety", "Laboratory Food Analytics" and "Food Safety from Farm to Fork".
- **Many years of experience in the field of quality assurance of veterinary study programs :**
 - Since 2020, **Vice-Dean for Quality Assurance** of the University of Sarajevo-Faculty of Veterinary Medicine (UNSA-VF) in the areas of establishing and improving the quality assurance and management system of study programs, coordination; from 2013 to 2020, **President**, and from 2020 to present, **member of the Quality Assurance Board of the Faculty of Veterinary Medicine in Sarajevo (ODOK)** - organizing, coordinating and implementing the quality assurance and improvement process at the Faculty level, organizing analyses of study success and identifying poor and inefficient processes, developing study quality indicators, preparing annual reports; cooperating with and reporting to the Quality Assurance Board of the University of Sarajevo), drafting numerous internal acts of UNSA-VF in order to improve the quality assurance and management system; communication and reporting to the European Association of Establishments for Veterinary Education (EAEVE)
 - from 2025 **coordinator of the UNSA-VF Self-Evaluation Report** for the accreditation of the integrated study of veterinary medicine according to the requirements of ESG standards;
 - 2023 - **coordinator of the UNSA-VF Biosafety Procedure Development Team**;
 - 2021 **reviewer of the international postgraduate specialist study program "Veterinary Epidemiology / Veterinarska epidemiologija"** of the Veterinary Faculty of the University of Zagreb (head of studies Prof. Marina Pavlak, Ph.D.);
 - 2021 – Member of **the Team for Evaluation of the Efficiency and Effectiveness of the Implementation of Strategic Goals for the Quality Department of the University of Sarajevo**;
 - 2020. **Coordinator of the UNSA-VF Crisis Preparedness Plan Team due to the worsening and uncertain epidemiological situation caused by the emergence of the new coronavirus (SARS-CoV-2)** in the FBiH and Canton of Sarajevo;
 - 2019 – member of **the Team for the organization and implementation of the visit of the Commission of domestic and international experts for the reaccreditation of the University of Sarajevo** - organization

and implementation of the visit of the Commission, as well as writing the UNSA Self-Evaluation Report for the purposes of reaccreditation;

- From 2013 to the present day - establishment and administration of the QUALITY ASSURANCE portal at DMS (<http://vfs.unsa.ba/dms/course/view.php?id=6>) and the UNSA-VF website (<https://vfs.unsa.ba/portal/osiguranje-kvaliteta/>);
- From December 2012 to October 2014 - **coordination of data collection activities, preparation, editing and translation into English of the Self-Evaluation Report (SER)** Faculty of Veterinary Medicine Sarajevo for the purposes of an on-site consultative visit by the EAEVE expert audit team;
- From August to October 2014 – **Liaison Officer of the Faculty of Veterinary Medicine in Sarajevo - coordination and implementation of an** on-site consultative visit of the EAEVE expert audit team;
- 2014/2015 – participation in the development and implementation of the Action Plan for eliminating deficiencies identified through the EAEVE consultative visit;
- since 2009 representative of UNSA-VF at the EAEVE Annual Assemblies;
- From 2014 to present - **external associate of the Agency for the Development of Higher Education and Quality Assurance of BiH (HEA)** for assessing the quality of study programs in the scientific field of biotechnical science/veterinary science (http://www.heg.gov.ba/Kvalitet/lis_t_a_eksperata/eksperti/?id=6960).

EXPERIENCE IN RAISING SCIENTIFIC AND PROFESSIONAL YOUTH

- **MENTORING** for obtaining the scientific degree of Doctor of Veterinary Sciences for two candidates;
- **MENTORING** for the acquisition of the scientific degree of Master of Veterinary Sciences for three candidates;
- **MENTORING** for the acquisition of the academic specialist title for three candidates;
- **MENTORING** for obtaining the professional title of Doctor of Veterinary Medicine for one candidate;
- **MEMBERSHIP IN COMMITTEES** for assessing the suitability of topics and candidates, and assessing and defending graduate, specialist and master's theses, topics, projects and doctoral dissertations for more than 30 candidates;

SCIENTIFIC AND PROFESSIONAL INTEREST

- Food safety, food microbiology, diagnostics and epidemiology of foodborne diseases;
- Design, implementation and audit of HACCP control systems;
- Antimicrobial resistance of food-borne pathogens;
- Epidemiological surveillance and food safety systems;
- Microbiological risk assessment;
- Residues of pharmacologically active and harmful substances in food;
- ISO 17025 accreditation of testing laboratories;
- Quality assurance of university study programs.

PUBLICIST ACTIVITY

- 41 papers published in relevant scientific journals; 97 papers presented at numerous international scientific and professional conferences;
- Co-author of a total of 6 scientific books, university textbooks and technical publications;
- Selected publications available at [Google Scholar](#) profile , [Research Gate](#) profile, [Scopus](#) profile and [ORCID](#) profile
- **Member of the editorial board for scientific journals :**
 - " [Veterinaria](#) ", Veterinary Faculty, University of Sarajevo (ISSN BA: 0372-6827);
 - " [Meso - First Croatian Journal on Meat](#) " Zadružna štampa dd, Zagreb, Croatia ;
 - Occasional reviewer for Web of Science scientific journals " [Journal of Food and Nutrition Research \(JFNR\)](#) " and " [Journal of Microbiology, Biotechnology and Food Sciences](#) "
- Reviewer of 2 university textbooks in the field of microbiology and food safety.

NATIONAL PROJECTS:

- Member of the project team in the scientific research project "Prevalence and distribution of antibiotic-resistant isolates of *Campylobacter* spp. in the production of broiler chicken meat" (contract no. 27-02-35-35137-13/22 dated 28.09.2022), funded from the Budget of the Sarajevo Canton for 2022 by the Ministry of Science, Higher Education and Youth of the Sarajevo Canton. Project leader: emeritus prof. dr. Faruk Čaklovića.
- Leader of the scientific research project "Quantitative determination of the presence of avermectin group residues in raw milk using the EU confirmation method of ultra-high-performance liquid chromatography with mass spectrometry (LC-MS/MS)"; project no.: 05-39-5576-1/15 funded by the Federal Ministry of Education and Science of BiH and the Faculty of Veterinary Medicine, University of Sarajevo; June 2016 – June 2017;
- Member of the project team in the development project "Building capacities for achieving requirements and indicators for external evaluation of the Faculty of Veterinary Medicine Sarajevo", funded by the Federal Ministry of Education and Science of BiH ; 2012-2013. Project leader: Prof. Dr. Nihad Fejzić;
- Researcher in the project "Prevalence of *Listeria monocytogenes* in slaughterhouses, meat processing facilities and butcher shops of Sarajevo Canton", funded by the Ministry of Education and Science of Sarajevo Canton, BiH, 2008-2010, supervisor: Assistant Professor Muhamed Smajlović.
- Researcher in the project "Protective role of autochthonous strains of lactic acid bacteria in the production of Bosnian sudžuk and their influence on the original organoleptic properties of the final product" funded by the Ministry of Science and Education of Sarajevo Canton, 2005-2007, supervisor: Prof. Dr. Faruk Čaklovića.
- Researcher in the project "Prevalence of diarrheagenic *E. coli* strains in meat and meat products - the impact of production hygiene" funded by the Ministry of Education and Science of the Federation of Bosnia and Herzegovina, 2005-2008, supervisor: Prof. Dr. Faruk Čaklovića.

INTERNATIONAL PROJECTS:

- Member of the project team of the University of Sarajevo in the ERASMUS+ project "Strengthening capacities for the implementation of dual education in BH higher education / DUALSCI" (January 2020 - January 2023); project coordinator: University of Novi Sad (Serbia); (<https://unsa.ba/index.php/en/novosti/capacity-building-implementation-dual-education-bh-higher-education-dualsci-project>)
- Member of the Steering Committee, National Contact Point for BiH and Member of Working Group III in the COST (European Cooperation in Science and Technology) project "Risk-based meat inspection and integrated meat safety assurance - RIBMINS (COST Action CA 18105), (March 2019 - September 2023) President of the Steering Committee: Dr. Bojan Blagojević, University of Novi Sad (Serbia); (<https://www.cost.eu/actions/CA18105/>; <https://ribmins.com/>);
- Member of the project team of the University of Sarajevo in the ERASMUS+ project "Development of an innovative Postgraduate Education programme in Veterinary pUblc healTh and fOod Safety in Western Balkan area - PEVULOS" (Dec 2022 - Dec 2025); Project ID: 101082687; Call: ERASMUS-EDU-2022-CBHE; Programme: ERASMUS2027; DG/Agency: EACEA; project coordinator: Università Degli Studi di Milano (Italy) (<https://pevulos.com/>);
- Member of the Board of Directors of the Food and Agriculture COST (European Cooperation in Science and Technology) project "A European Network for Foodborne Parasites - COST Action EURO-FBP (FA 1408), financed by the EU Horizon 2020 program; 2015 - 2019. Chairman of the Board of Directors: Prof. Dr. Lucy Robertson (Norway);
- Member of the project team in the Tempus project "Pu blic health in the Western Balkans – improvement in the field of public health and development of a "One Health" educational and scientific architecture in Western Balkan countries " (acronym: 1 HEALTH), no. 544182-TEMPUS-1-2013-1-IT-TEMPUS-JPCR. Partner countries: Italy (University of Milan - coordinator), Bosnia and Herzegovina (University of Sarajevo and University of East Sarajevo), Spain (Autonomous University of Barcelona), Portugal (University of Porto), Slovenia (University of Ljubljana), Kosovo (University of Pristina), December 2013 – present. Coordinator: Prof. Dr. Valeria Grieco (Italy).

- Member of the project team in the international development project "Strengthening of Centers for Aquaculture Production and Safety Surveillance in Adriatic Cross-Border Countries" (acronym: CAPS2), funded under the EU program Adriatic IPA CBC 2007-2013. Partners: Croatian Veterinary Institute – Regional Veterinary Institute Split (Croatia - coordinator), Istituto Zooprofilattico Sperimentale dell'Abruzzo e del Molise "Giuseppe Caporale" , Teramo (Italy), Center for Ecotoxicological Testing, Podgorica (Montenegro), Veterinary Office of Montenegro, Faculty of Veterinary Medicine, University of Sarajevo, Department of Food Hygiene and Technology, Veterinary Office of Bosnia and Herzegovina, Ministry of Agriculture of Croatia, Institute of Food Safety and Veterinary Medicine, Tirana (Albania); 2012-2016, Coordinator: Ph.D. Eddy Listeš, (Croatia);
- Member of the project team in the Tempus project "SARAJEVO JEP II PROJECT" of cooperation between the Faculty of Veterinary Medicine of Milan (Italy - coordinator), the Faculty of Veterinary Medicine of Porto (Portugal) and the Faculty of Veterinary Medicine of Sarajevo; 2007-2009., Coordinator: Prof. Dr. Valeria Grieco (Italy).
- Member of the project team in the development project "Curriculum Development According to the Bologna Principles" - implemented in cooperation between the Faculty of Veterinary Medicine Sarajevo and the Faculty of Veterinary Sciences of Norway, including secondary cooperation with other institutions of veterinary medicine from the Western Balkans . Project funded by the Norwegian Ministry of Foreign Affairs , 2006-2009, project team leader: Prof. Dr. Aida Hodžić.
- National consultant for epidemiology in the project " Strengthening Aquaculture Health Management in Bosnia and Herzegovina", TCP/BIH/3101, financed by the Food and Agriculture Organization of the United Nations (FAO), 2006-2008, project coordinator: dr. Melba B. Reantaso (FAO);
- Researcher in the international project " Veterinary public health in the production of safe food", financed by the Ministry of Science of the Republic of Croatia, 2007/08., Coordinator: Prof. Dr. Mirza Hadžiosmanović (Croatia);
- Researcher in the international project "Safety of traditional fermented sausages: Research on protective cultures and bacteriocins" (acronym: SAFETYSAUSAGE; ID: ICA4-CT-2002-10037), funded by the European Commission (INCO 2 Programme), FP5, 2002 – 2005. Project coordinator : Food Industrial Research and Technological Development Company AS, Athens (Greece); participants: Agricultural University of Athens (Greece), Hungarian Meat Research Institute (Hungary), Hunnia Meat Processing and Service Ltd. (Hungary), Institute of Meat Hygiene and Technology, Belgrade (Serbia), University of Udine (Italy), Faculty of Veterinary Medicine Sarajevo, Department of Food Hygiene and Technology (BiH), Meat Industry "Ovako" doo (BiH), Faculty of Veterinary Medicine, University of Zagreb (Croatia).
- During his postgraduate MPVM studies at UC Davis, USA, he worked (Postgraduate Research Level 4) on research projects in the field of dairy cow epidemiology (supervisor Prof. Dr. Mark C. Thurmond), as well as in the field of preventive veterinary medicine (supervisor Prof. Dr. David W. Hird).

ACTIVE PARTICIPATION IN INTERNATIONAL SCIENTIFIC CONFERENCES

- 61st International Meat Industry Conference "MEATCON 21", Zlatibor, Serbia, 2021;
- Veterinary Days 2021, Vodice, Croatia, 2021
- 4th Congress of Pharmacists of Bosnia and Herzegovina with International Participation, Oct 10-13, 2019, Sarajevo, Bosnia and Herzegovina
- 3rd International VET Istanbul Group Congress 2016, May 17-20, 2016, Sarajevo, B&H;
- 1st Working group meeting & 2nd Management Committee meeting, COST ACTION FA1408 European Network for Foodborne Parasites in Europe (EURO-FBP), Oct 26-27, 2015, Zagreb, Croatia;
- International Congress "One World-One Health-One Vision", Oct 14-16, 2015, Sarajevo, B&H;
- 3. Scientific and professional conference with international participation "June 5th - World Environment Day", June 4-5, 2015, Bihać, BiH;
- 3rd Congress of Pharmacists of Bosnia and Herzegovina with International Participation, May 14-17, 2015, Sarajevo, B&H;
- 3rd Turkish-Bosnian Scientific Days Veterinary Faculties of Sarajevo University & Istanbul University, Apr 21-24, 2015, Sarajevo, B&H;
- 1st International VET Istanbul Group Congress 2014, Apr 28-30, 2014, , Istanbul, Turkey;

- 2nd Turkish-Bosnian Scientific Days Veterinary Faculties Of Sarajevo University & Istanbul University, May 9-11, 2013, Istanbul, Turkey;
- 30th Hygiene Alimentorum – Poultry, Eggs, Fish, and Game Meat Production in Conditions of Common Market, May 13-15, 2009, Strbske Pleso, the Slovak Republic;
- 4th Congress of Slovenian Microbiological Society with International Participation, November 19-22, 2008, Portorose, Slovenia;
- First European Food Congress, November 4-9, 2008, Ljubljana, Slovenia;
- VI Symposium on Agriculture, Veterinary Medicine, Forestry and Biotechnology, 23-25 October 2008, Goražde, BiH;
- 5th Symposium on Agriculture, Veterinary Medicine, Forestry and Biotechnology, October 18-20, 2007, Travnik-Vlašić, BiH;
- 11th International Symposium for Veterinary Epidemiology and Economics (ISVEE), August 6-11, 2007, Cairns, Australia;
- IV Symposium on Agriculture, Veterinary Medicine, Forestry and Biotechnology, 21-23 September 2006, Zenica, BiH;
- Regional conference "HACCP: Management tool - workers' property", 14-16 March 2006, Šibenik, Croatia;
- 53rd International Meat Industry Conference, 13-15 June 2005, Vrnjačka Banja, Serbia and Montenegro ;
- Symposium "Veterinary Science and Livestock in the Production of Safe Food", June 21-25, 2004, Herceg Novi, Serbia and Montenegro;
- II Symposium on Agriculture, Veterinary Medicine, Forestry and Biotechnology, 28-30 September 2004, Bihać, BiH;
- III Symposium on Agriculture, Veterinary Medicine, Forestry and Biotechnology, 28-30 September 2005, Sanski Most, BiH;
- 11th Asian-Australasian Association of Animal Production (AAAP) Congress, September 5 – 9, 2004, Kuala Lumpur, Malaysia;
- 10th International Symposium for Veterinary Epidemiology and Economics (ISVEE), November 17-21, 2003, Viña del Mar, Chile;
- International Conference "TSE - Fact or Fiction", September 10-11, 2003, Fort Collins, Colorado, USA;
- 1st Symposium on Agriculture, Veterinary Medicine and Forestry, 14-17 May 2003, Neum, BiH;
- 27th World Veterinary Congress, September 25-29, 2002, Tunis, Tunisia;
- 2nd Croatian Veterinary Congress, 2000, Cavtat, Croatia ;
- Fourth Croatian congress on food technology, , October 2001, Opatija, Croatia;
- 26th World Veterinary Congress «Mondial Vet 99», September 23-26, 1999, Lyon, France;
- National Congress On Animal Health & Production – «Environment Care In Animal Production», 3-5 September 1999, Melaka, Malaysia;
- First Congress of Veterinarians of Bosnia and Herzegovina with international participation, October 29-31, 1998, Tuzla, Bosnia and Herzegovina.

AWARDS & SCHOLARSHIPS

- "Dr. Vaso Butozan" Award for the best student of the 1989/90 academic year, Faculty of Veterinary Medicine, Sarajevo;
- "Barron Fellowship" scholarship during postgraduate MPVM studies at UC Davis, USA, academic year 2001/02.

-
- 2019 - "Plaque of the University of Sarajevo - Faculty of Veterinary Medicine" for exceptional contribution to scientific research, teaching and professional work in veterinary medicine on the occasion of marking 70 years of continuous work.

MEMBERSHIP IN SCIENTIFIC AND PROFESSIONAL ORGANIZATIONS AND BODIES

- International Society for Infectious Diseases (ISID);
- International Society for Veterinary Epidemiology and Economics (ISVEE);
- Veterinary Chamber of the Federation of BiH;
- Technical Committee for Food (BAS/TC 43) of the Institute for Standardization of Bosnia and Herzegovina;
- Technical Committee for Laboratories of the BiH Accreditation Institute (BATA);
- JICA Alumni Association of BiH;
